In April 2026, a 45-day Bridge Course was initiated for newly enrolled students needing academic support. The program focuses on core subjects like English, Kannada, Hindi, and Mathematics. It aims to strengthen basic concepts and improve learning outcomes. Teachers provide individual attention to help students overcome learning gaps. The course is scheduled to conclude on 15 May, preparing students for the new academic year.

EXAM!

Final Results Day | 02 April 2026

On 2nd April 2026, the final results of the SA2 examinations were announced. Many students excelled in their academic performance, reflecting their hard work and dedication. A notable success was seen among students who joined from other schools with previously low aptitude and weak academic backgrounds. With consistent one-to-one support and special classes, they showed gradual improvement throughout the year. This achievement highlights Sankalp school's commitment to nurturing every child's academic growth.

Shining Star of Sankalp School

Aniket G Kanbur

We are proud to share a wonderful achievement of our Grade 2 student Aniket, whose Kannada poem Kavana and his beautiful Drawings were published in the renowned newspaper Vijayavani. This accomplishment is a reflection of the student's creativity, language skills and passion for literature. We congratulate our young poet Aniket for this remarkable milestone and wish him many more such success in the future.

Admissions Update - Cubs and Sankalp School

Admissions for the academic year 2026-27 are in full swing, witnessing an unprecedented surge across both Cubs and Sankalp Schools. The overwhelming response reflects growing trust among parents in the quality of education and overall learning outcomes. A significant highlight this year is the rise in parent referrals, contributing to nearly 90% of total admissions. This strong word-of-mouth is a testament to parent satisfaction and student progress. With limited seats now remaining, parents are encouraged to secure admissions at the earliest.
