Sankalp - Teacher Training Program | 12 -18 MAY 2026

Sankalp School teachers underwent an intensive training program conducted by Mr. Deepak Agarwal and Ms. Yogita Agarwal, founders and mentors of CUBS and Sankalp Schools, with over 20 years of expertise in teacher training. The sessions focused on effective teaching methodologies, student care, subject-specific handling, lesson planning, and strengthening classroom performance. Sankalp School is among the few schools in Karnataka where teacher training is mandatory before they enter classrooms, ensuring quality learning experiences for every student.

Orientation Day - Sankalp School | 25 May 2026

On 25th May, Sankalp School conducted its Orientation Day, where parents were introduced to the school's updated policies, educational approach, and important guidelines. The session was conducted by the founders, Mr. Deepak Agarwal and Ms. Yogita Agarwal. Students also posed for photographs in front of beautifully hand-drawn sketches and murals created by teachers, making their first day memorable and forever etched in their memories.

ON BOARDING

Shining Star of Sankalp School

Aniket G Kanbur

Our Grade 2 student Aniket G. Kanbur, who has been recognized by the Magic Book of Records for his remarkable performance in Sports, Art, and Fancy Dress. This prestigious recognition highlights his versatility and talent across multiple fields. It serves as an inspiration for fellow students to explore their talents and strive for excellence in both academics and co-curricular activities. We congratulate Aniket on this well-deserved recognition and wish him continued success in all his future

Cubs-Sankalp Transport Facilities Expanded

With the growing Sankalp student community, we have expanded transport facilities to better support students and parents. New contract vans have been attached along with newly procured school buses to ensure safer, smoother, and more convenient travel for children. As the student community continues to grow, the institution remains committed to providing comfort, care, and reliable transportation every day.

GOALS!

Structured Home Timetables for Sankalp Students

As part of our commitment to holistic student development, Sankalp School will soon introduce home timetables for students to encourage discipline, responsibility, and effective time management beyond the classroom. These structured schedules will be personally curated by the founders, Mr. Deepak Agarwal and Ms. Yogita Agarwal, to help students follow a balanced daily routine with seriousness, consistency, and responsibility from an early age.

Shaping Students for Life, Not Just Exams

Special Article by Mr Deepak Agarwal Founder and mentor, CUBS and Sankalp Schools).

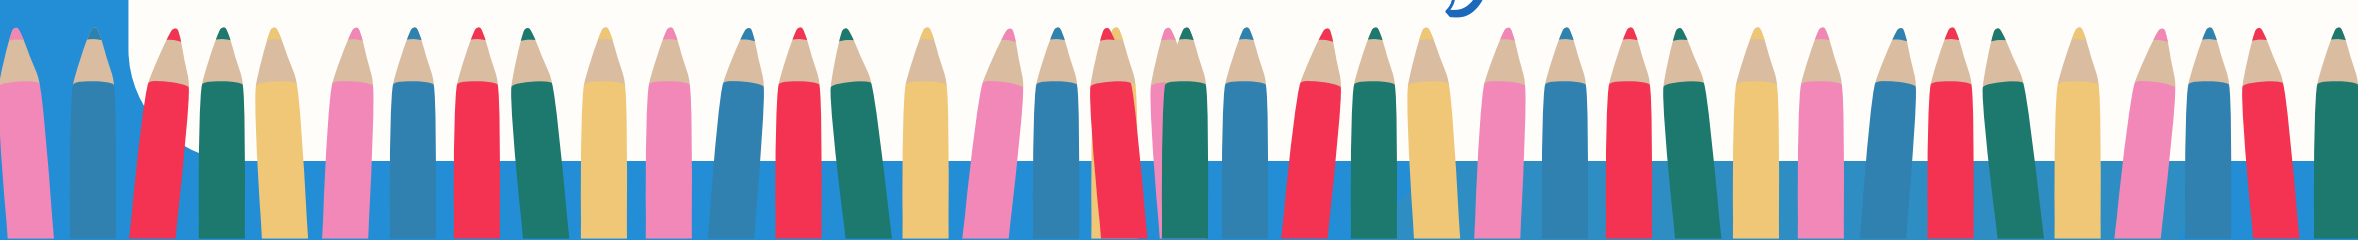

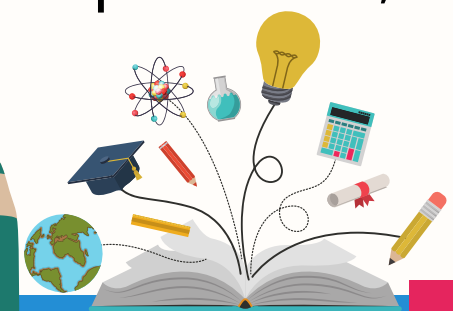

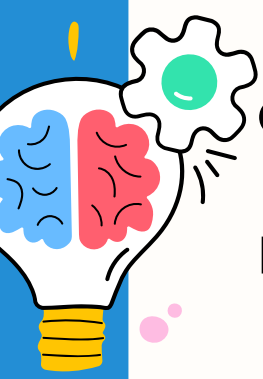

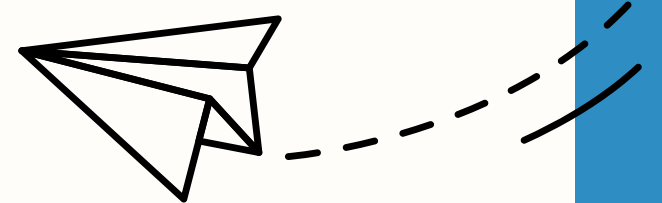

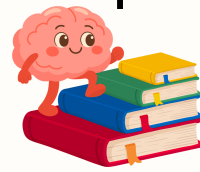

At Sankalp School, we believe education goes far beyond marks, examinations, and entrance tests. While academic excellence remains important, our larger mission is to prepare students for life – to build confidence, resilience, communication skills, and the ability to face challenges with courage.

E D U C A T I O N

In today's fast-changing world, success depends not only on knowledge but also on personality, adaptability, and emotional strength. We recognize the growing need to help children develop the ability to handle setbacks, learn from failures, and emerge stronger.

With a renewed focus on Spoken English and Personality Development Sankalp School is committed to nurturing confident, expressive, and future-ready individuals. Our goal is to empower students not just to succeed in classrooms, but to thrive in life and become capable, responsible, and market-ready leaders of tomorrow.

This academic year marks an important milestone as Sankalp School proudly crossed the 500-student mark. What makes this achievement even more meaningful is that our admissions have grown largely through parent referrals, a reflection of the trust and confidence parents place in us. Their belief that Sankalp School not only helps students excel but also transforms slow learners over time will inspire our mission of shaping capable, responsible, and successful leaders of tomorrow.
