Engineer's Day Awareness | 15 September

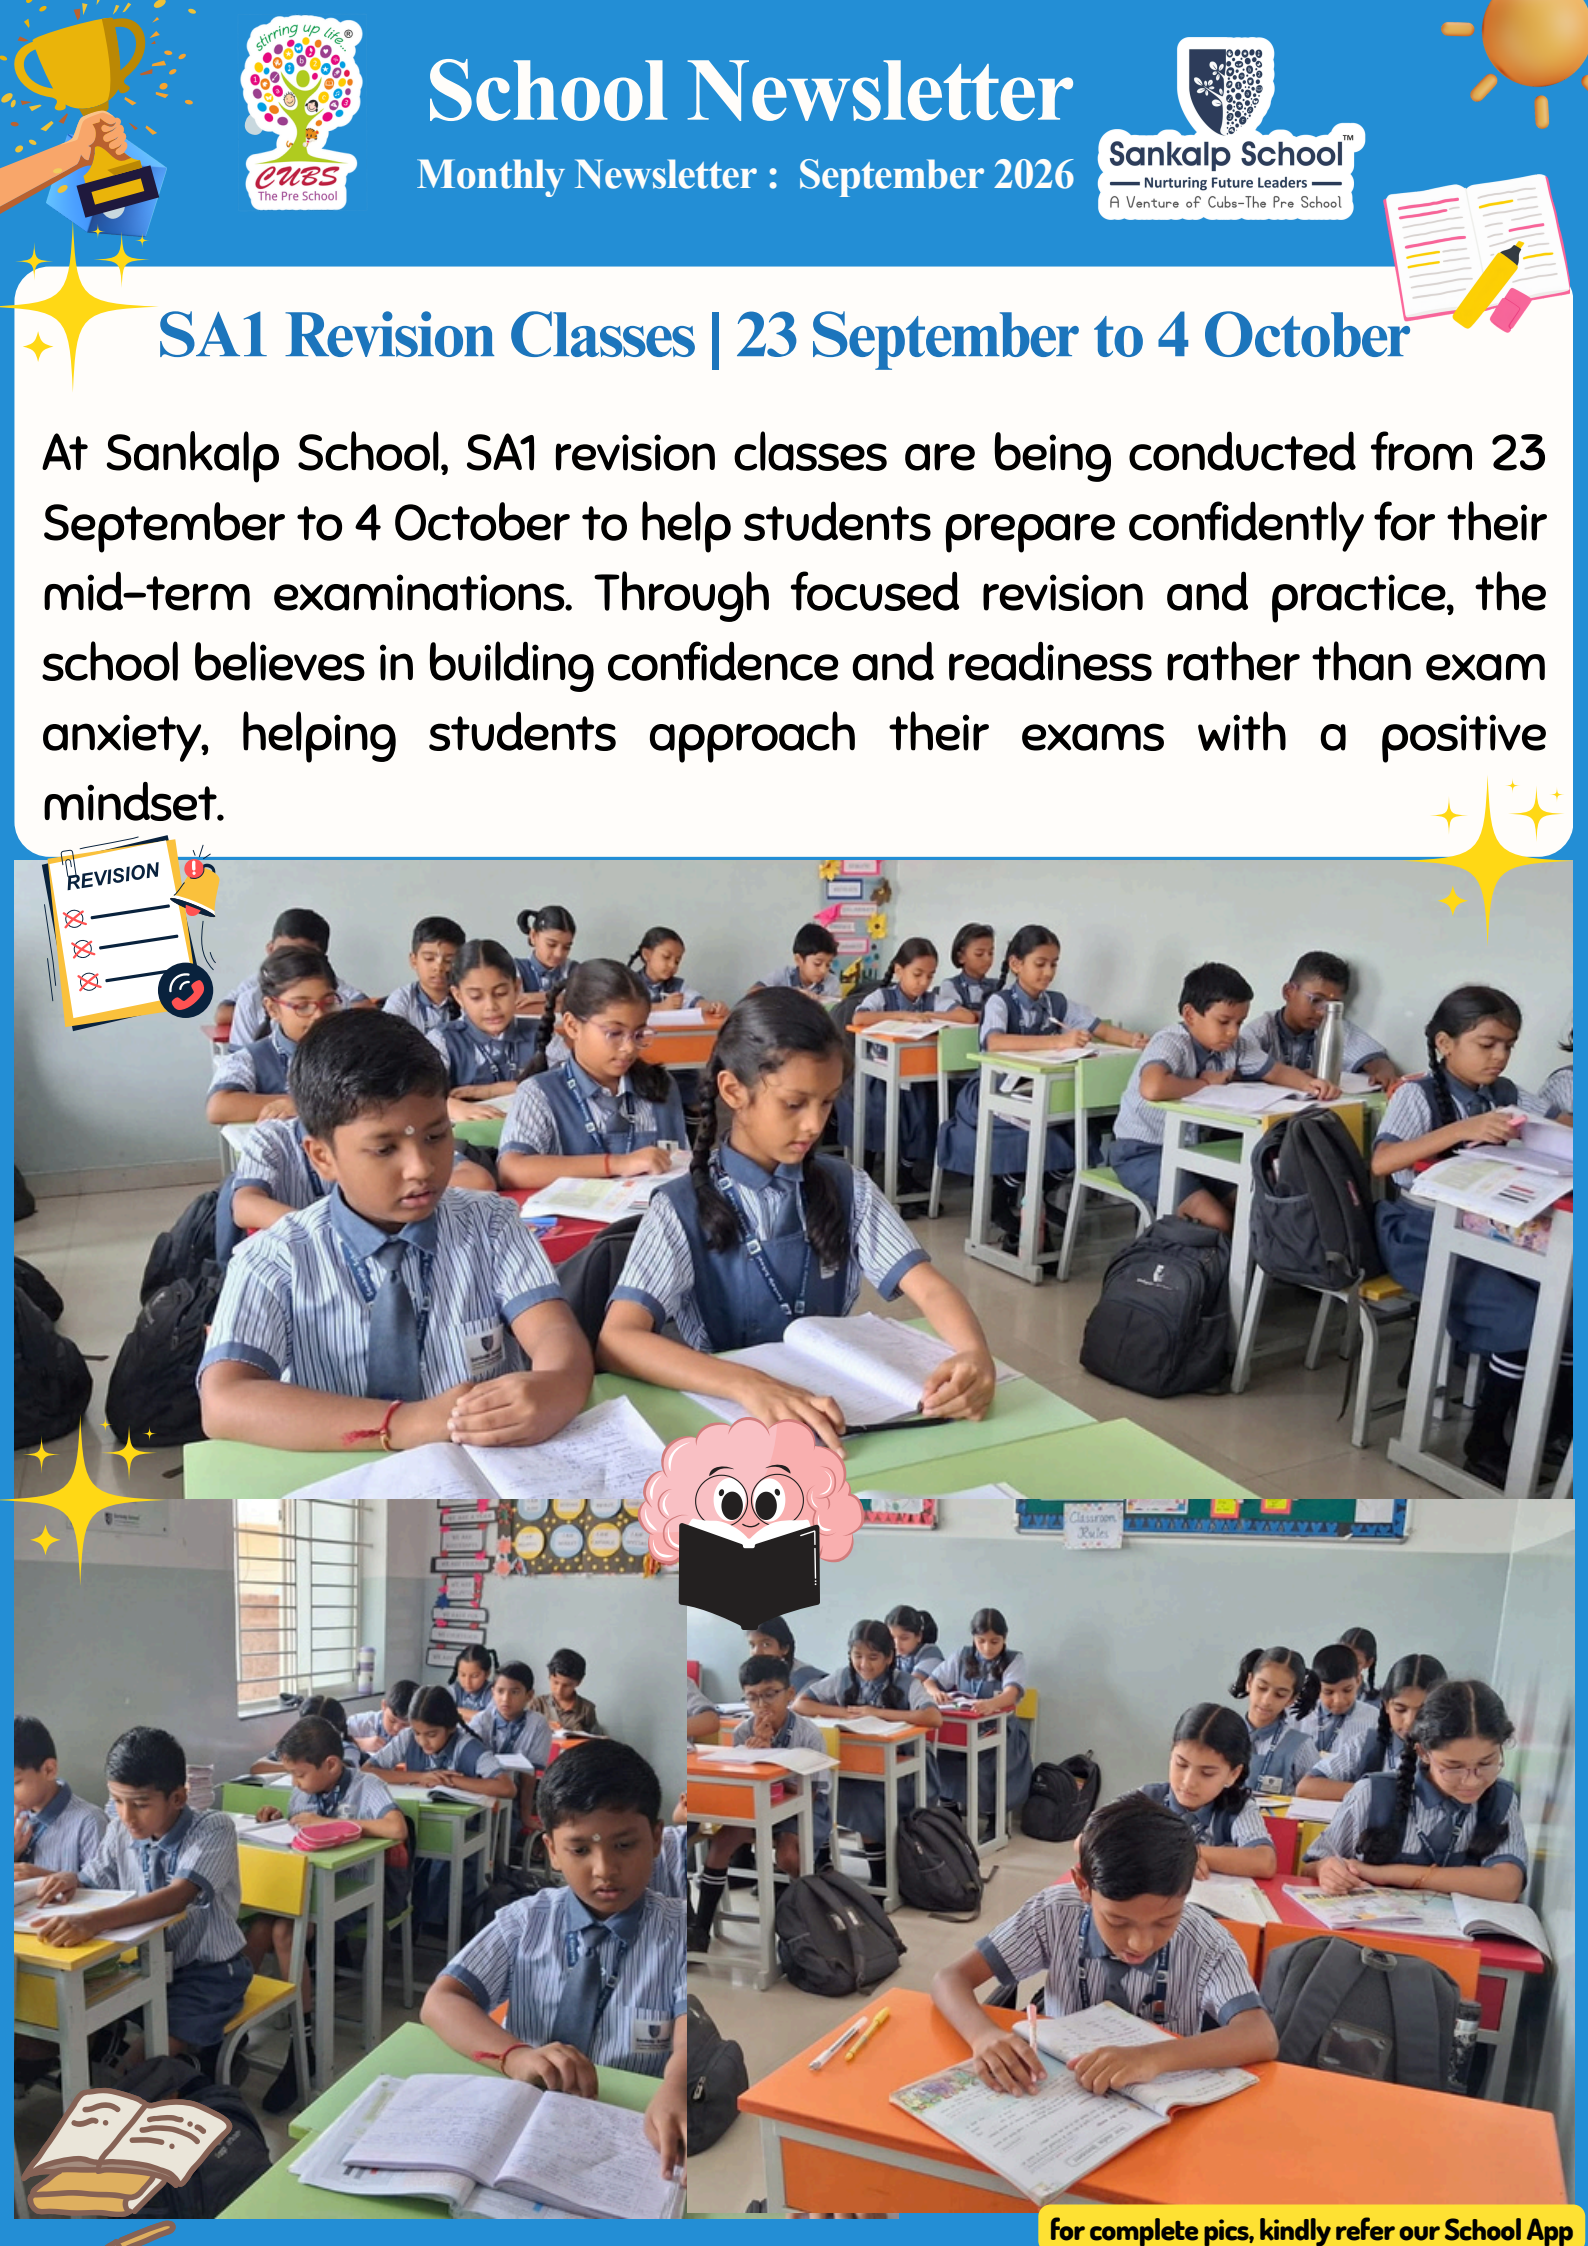

On Engineers Day, Sankalp School, Vijayapura created an awareness video highlighting the important role of engineers in shaping our world. The initiative introduced students to the contributions of engineers and encouraged them to appreciate innovation, problem-solving and the role of technology in everyday life.

As every year, Sankalp School, Vijayapura organized its Dussehra Competition featuring Vegetable Printing, Essay Writing, Warli, Mandala and Silhouette Art for all grades. Students showcased their creativity with enthusiasm. Top 3 winners from each section will receive certificates and trophies during the Annual Day Event.

SA1 Revision Classes | 23 September to 4 October

At Sankalp School, SA1 revision classes are being conducted from 23 September to 4 October to help students prepare confidently for their mid-term examinations. Through focused revision and practice, the school believes in building confidence and readiness rather than exam anxiety, helping students approach their exams with a positive mindset.

On World Rivers Day, Sankalp School, Vijayapura conducted an awareness session through an informative video on smart boards. Students learnt about the importance of rivers, their role in sustaining life and the need to keep them clean and protected, encouraging responsible and eco-friendly habits.
